

# HATTIESBURG PUBLIC SCHOOL DISTRICT

## STREET GUIDE

2021-2022

(ARRANGED BY STREETS)

12-Jul-21

The street guide can be utilized by the Secondary Schools within the district to determine whether or not a student's address is within the Hattiesburg Public school district. All elementary principals should use this guide to determine whether or not a student's address is within their school zone. We encourage all principals and staff involved in enrolling students to take full advantage of this street guide. If there is ever a question about a street, please feel free to call the transportation department to verify.

Thank you for allowing us to serve you.
