The street Guide can be utilized by the Secondary Schools within the district to determine whether or not a student's address is within the Hattiesburg Public School District. All Elementary Principals should use this guide to determine whether or not a student's address is within their school zone. We encourage all Principals and office staff involved in enrolling students to take full advantage of this Street Guide. If there is ever a question about a street, please feel free to call the Transportation Department to verify and be sure.

Thank you for allowing us to serve you.
